

GENERAL PRACTICE AWARDS 2018

Diabetes Care Award

Award Entry Form

Description of the award:

This award seeks to recognise an individual or team who have demonstrated excellence when working with patients with diabetes or pre diabetes, helping to improve their lives and the management of their symptoms. We are looking for projects, strategies, and schemes that have been implemented to improve diabetes management and long-term patient care.

Applications should demonstrate all or some of the below:

- Innovative practice concerning diabetes management and patient awareness.
- Promotion of patients' self-management and care plan.
- Excellence in communicating with patients about risk factors.
- Education or upskilling of the practice team.
- Innovative programmes to help at-risk patients change behaviours.

Criteria that judges will be marking against:

- Clearly defined objectives for quality improvement within the project, strategy or scheme.
- Clearly described interventions.
- Innovation and new ways of working.
- Defined, recorded and measurable outcomes including clinical outcomes.
- The sustainability of the changes observed.
- The ability for the project, strategy, or scheme to be replicated across other practices.
